

# 36TH INFORMAL SYMPOSIUM ON KINETICS AND PHOTOCHEMICAL PROCESSES IN THE ATMOSPHERE

**May 10, 2019**

Bourns Technology Center  
1200 Columbia Avenue  
Riverside, CA 92507

- 7:30-8:30 Registration & Continental Breakfast
- 8:30-8:45 Welcome & Introductory Remarks
- 8:45-9:30 **William Porter**  
University of California, Riverside  
*Chemistry, climate, and commonality: exploring atmospheric connections through numerical and statistical models*
- 9:30-10:15 **Mads Andersen**  
California State University, Northridge  
*Decreasing Climate Change Impact - One Molecule At The Time*
- 10:15-10:45 Coffee Break
- 10:45-11:45 **1 – Min Poster Madness**
- 11:45-1:45 **LUNCH / POSTERS**  
(Box lunches provided)
- 1:45-2:45 **Kim Prather**  
University of California, San Diego  
*Ocean microbes: Are they controlling the composition of our atmosphere?*
- 2:45-3:00 Concluding Remarks
- 3:00-4:00 Optional Tour of CE-CERT

**Sponsored and Hosted by:**
