

## **Invited Speaker History for the “Informal Symposium on Kinetics and Photochemical Processes in the Atmosphere (ISKPPA)”**

For more complete programs please visit the conference website at <https://igasp.org/>

### **37<sup>th</sup> Symposium: Caltech (2021)**

Vicki Grassian (University of California, San Diego)  
Manabu Shiraiwa (University of California, Irvine)  
Sina Hasheminassab (South Coast Air Quality Management District)  
Roya Bahreini (University of California, Riverside)

### **Skipped 2020 because of Covid-19**

### **36<sup>th</sup> Symposium: Bourns Technology Center at UC Riverside (2019)**

William Porter (University of California, Riverside)  
Mads Andersen (California State University, Northridge)  
Kim Prather (University of California, San Diego)

### **35<sup>th</sup> Symposium: Caltech (2018)**

Kelley Barsanti (University of California, Riverside)  
Jonathan Abbatt (University of Toronto)  
Annmarie Carlton (University of California, Irvine)  
Carl Percival (NASA Jet Propulsion Laboratory)

### **34<sup>th</sup> Symposium: University of California San Diego (2017)**

Suzanne Paulson (University of California, Los Angeles)  
Craig Murray (University of California, Irvine)  
Ajith Kaduwela (California Air Resources Board)  
William Carter (University of California, Riverside)  
John Crouse (California Institute of Technology)

### **33<sup>rd</sup> Symposium: University of California, Irvine (2016)**

Jim Smith (University of California, Irvine)  
Robina Shaheen (University of California, San Diego)  
Lynn Russell (University of California, San Diego)  
David De Haan (University of San Diego)

### **32<sup>nd</sup> Symposium: CSU Northridge (2015)**

Annmarie Elderling (NASA Jet Propulsion Laboratory)  
Lelia Hawkins (Harvey Mudd College)  
Mitchio Okumura (California Institute of Technology)  
Jochen Stutz (University of California, Los Angeles)

### **31<sup>st</sup> Symposium: University of California, Riverside (2014)**

Stan Sander (NASA Jet Propulsion Laboratory)  
Zhuangjie Li (California State University, Fullerton)

Sergey Nizkorodov (University of California, Irvine)  
Akua Asa-Awuku (University of California, Riverside)

**30<sup>th</sup> Symposium: California Institute of Technology (2013)**

Kim Prather (University of California, San Diego)  
David Osborn (Sandia National Laboratory)  
Alam Hasson (California State University, Fresno)  
Paul Shepson (Purdue University)

**29<sup>th</sup> Symposium: California State University, Fullerton (2012)**

Cort Anastasio (University of California, Davis)  
Daniel Curtis (California State University, Northridge)  
Paul Wennberg (California Institute of Technology)  
Timothy Bertram (University of California, San Diego)

**28<sup>th</sup> Symposium: University of California, Irvine (2011)**

Jingsong Zhang (University of California, Riverside)  
Ronald Cohen (University of California, Berkeley)  
Donald Dabdub (University of California, Irvine)  
Michael Prather (University of California, Irvine)

**27<sup>th</sup> Symposium: University of California, San Diego and Scripps Institution of Oceanography (2010)**

Richard Flagan (California Institute of Technology)  
Daniel Harris (China Lake Naval Air Command)  
Paula Hudson (California State University, Fullerton)  
Mark Thiemens (University of California, San Diego)

**26<sup>th</sup> Symposium: University of California, Riverside (2009)**

Roger Atkinson (University of California, Riverside)  
Annmarie Eldering (NASA Jet Propulsion Laboratory)  
Krishna Foster (California State University, Los Angeles)  
Eric Saltzman (University of California, Irvine )

**25<sup>th</sup> Symposium: University of California, Los Angeles (2008)**

Sidney Benson (University of Southern California)  
Qinbin Li (NASA Jet Propulsion Laboratory)  
Jim Pitts (University of California, Irvine)  
Lynn Russell (University of California, San Diego)

**24<sup>th</sup> Symposium: California State University, Los Angeles (2007)**

Donald Blake (University of California, Irvine)  
David De Haan (University of San Diego)  
Paul Ziemann (University of California, Riverside )

**23<sup>rd</sup> Symposium: California Institute of Technology (2006)**

Annmarie Eldering (NASA Jet Propulsion Laboratory)  
Anna Krylov (University of Southern California)  
Stephen Leone (University of California, Berkeley)  
Sergey Nizkorodov (University of California, Irvine)

**22<sup>nd</sup> Symposium: University of California, Irvine (2005)**

David Cocker (University of California, Riverside)  
Barbara Finlayson-Pitts (University of California, Irvine)  
Scott Samuelson (University of California, Irvine)  
Veronica Vaida (University of Colorado, Boulder)

**21<sup>st</sup> Symposium: California State University, Fullerton (2004)**

Mitchio Okumura (California Institute of Technology)  
Douglas Tobias (University of California, Irvine)  
Suzanne Paulson (University of California, Los Angeles)  
John Seinfeld (California Institute of Technology)

**20<sup>th</sup> Symposium: University of California, Riverside (2003)**

Roger Atkinson (University of California, Riverside)  
Paul Wennberg (California Institute of Technology)  
Fu-Ming Tao (California State University, Fullerton)  
Jochen Stutz (University of California, Los Angeles)

**19<sup>th</sup> Symposium: University of California, Los Angeles (2002)**

Donald Dabdub (University of California, Irvine)  
Barbara J. Finlayson-Pitts (University of California, Irvine)  
Scott Nickolaisen (CSU California State University, Los Angeles)  
Stan Sander (NASA Jet Propulsion Laboratory)
