

Invited Speaker History for the “Informal Symposium on Kinetics and Photochemical Processes in the Atmosphere (ISKPPA)” which became “Informal Gathering on Atmospheric Science and Photochemistry (IGASP)” starting from 2022

For more complete programs please visit the conference website at <https://igasp.org/>

Information needed about earlier symposia before 2002. Please e-mail Sergey Nizkorodov (nizkorod@uci) if you have it

41st IGASP Symposium: University of University of California, San Diego (April 17, 2026)

Jasper Kok (University of California, Los Angeles)
Miriam Freedman (Penn State)
Markus Petters (University of California, Riverside)
Hanyang Li (San Diego State University)

2025 meeting skipped because to bring the symposium back to spring

40th IGASP Symposium: University of University of California, San Diego (October 4, 2024)

Xuan Zhang (University of California, Merced)
Sam Silva (University of Southern California)
Victoria Barber (University of California, Los Angeles)
James Davies (University of California, Riverside)

39th IGASP Symposium: University of University of California, Los Angeles (October 27, 2023)

Rima Habre (University of Southern California)
Haofei Zhang (University of California, Riverside)
Jonathan Slade (University of California, San Diego)
Pablo Saide (University of California, Los Angeles)

38th IGASP Symposium: University of California, Irvine (June 15, 2022)

Patrick Ayotte (Université de Sherbrooke)
Kristie Boering (University of California, Berkeley)
Celia Faiola (University of California, Irvine)
Ying-Hsuan Lin (University of California, Riverside)

37th ISKPPA Symposium: California State University, Fullerton (February 19, 2021) – virtual symposium

Vicki Grassian (University of California, San Diego)
Manabu Shiraiwa (University of California, Irvine)
Sina Hasheminassab (South Coast Air Quality Management District)
Roya Bahreini (University of California, Riverside)

2020 meeting skipped because of Covid-19

36th ISKPPA Symposium: Bourns Technology Center at UC Riverside (May 10, 2019)

William Porter (University of California, Riverside)
Mads Andersen (California State University, Northridge)
Kim Prather (University of California, San Diego)

35th ISKPPA Symposium: Caltech (March 30, 2018)

Kelley Barsanti (University of California, Riverside)
Jonathan Abbatt (University of Toronto)
Annmarie Carlton (University of California, Irvine)
Carl Percival (NASA Jet Propulsion Laboratory)

34th ISKPPA Symposium: University of California San Diego (May 12, 2017)

Suzanne Paulson (University of California, Los Angeles)
Craig Murray (University of California, Irvine)
Ajith Kaduwela (California Air Resources Board) and William Carter (University of California, Riverside)
John Crounse (California Institute of Technology)

33nd ISKPPA Symposium: University of California, Irvine (March 24, 2016)

Jim Smith (University of California, Irvine)
Robina Shaheen (University of California, San Diego)
Lynn Russell (University of California, San Diego)
David De Haan (University of San Diego)

32nd ISKPPA Symposium: CSU Northridge (April 3, 2015)

Annmarie Elderling (NASA Jet Propulsion Laboratory)
Lelia Hawkins (Harvey Mudd College)
Mitchio Okumura (California Institute of Technology)
Jochen Stutz (University of California, Los Angeles)

31st ISKPPA Symposium: University of California, Riverside (March 12, 2014)

Stan Sander (NASA Jet Propulsion Laboratory)
Zhuangjie Li (California State University, Fullerton)
Sergey Nizkorodov (University of California, Irvine)
Akua Asa-Awuku (University of California, Riverside)

30th ISKPPA Symposium: California Institute of Technology (March 8, 2013)

Kim Prather (University of California, San Diego)
David Osborn (Sandia National Laboratory)
Alam Hasson (California State University, Fresno)
Paul Shepson (Purdue University)

29th ISKPPA Symposium: California State University, Fullerton (February 24, 2012)

Cort Anastasio (University of California, Davis)
Daniel Curtis (California State University, Northridge)
Paul Wennberg (California Institute of Technology)
Timothy Bertram (University of California, San Diego)

28th ISKPPA Symposium: University of California, Irvine (March 3, 2011)

Jingsong Zhang (University of California, Riverside)
Ronald Cohen (University of California, Berkeley)
Donald Dabdub (University of California, Irvine)
Michael Prather (University of California, Irvine)

27th ISKPPA Symposium: University of California, San Diego and Scripps Institution of Oceanography (February 12, 2010)

Richard Flagan (California Institute of Technology)
Daniel Harris (China Lake Naval Air Command)
Paula Hudson (California State University, Fullerton)
Mark Thiemens (University of California, San Diego)

26th ISKPPA Symposium: University of California, Riverside (March 5, 2009)

Roger Atkinson (University of California, Riverside)
Annmarie Eldering (NASA Jet Propulsion Laboratory)
Krishna Foster (California State University, Los Angeles)
Eric Saltzman (University of California, Irvine)

25th ISKPPA Symposium: University of California, Los Angeles (2008)

Sidney Benson (University of Southern California)
Qinbin Li (NASA Jet Propulsion Laboratory)
Jim Pitts (University of California, Irvine)
Lynn Russell (University of California, San Diego)

24th ISKPPA Symposium: California State University, Los Angeles (2007)

Donald Blake (University of California, Irvine)
David De Haan (University of San Diego)
Paul Ziemann (University of California, Riverside)

23rd ISKPPA Symposium: California Institute of Technology (February 15, 2006)

Annmarie Eldering (NASA Jet Propulsion Laboratory)
Anna Krylov (University of Southern California)
Stephen Leone (University of California, Berkeley)
Sergey Nizkorodov (University of California, Irvine)

22nd ISKPPA Symposium: University of California, Irvine (February 14, 2005)

David Cocker (University of California, Riverside)
Barbara Finlayson-Pitts (University of California, Irvine)

Scott Samuelson (University of California, Irvine)
Veronica Vaida (University of Colorado, Boulder)

21st ISKPPA Symposium: California State University, Fullerton (2004)

Mitchio Okumura (California Institute of Technology)
Douglas Tobias (University of California, Irvine)
Suzanne Paulson (University of California, Los Angeles)
John Seinfeld (California Institute of Technology)

20th ISKPPA Symposium: University of California, Riverside (2003)

Roger Atkinson (University of California, Riverside)
Paul Wennberg (California Institute of Technology)
Fu-Ming Tao (California State University, Fullerton)
Jochen Stutz (University of California, Los Angeles)

19th ISKPPA Symposium: University of California, Los Angeles (2002)

Donald Dabdub (University of California, Irvine)
Barbara J. Finlayson-Pitts (University of California, Irvine)
Scott Nickolaisen (CSU California State University, Los Angeles)
Stan Sander (NASA Jet Propulsion Laboratory)
